

To all friends at Christ Church, West Wimbledon – Message edition 4

Another newsletter with some helpful information for you all from the Christie's

Here is a photo which Julie Grainger took this morning. Just to reassure you that the church building is still standing!!

The Christie family have all contracted COVID-19. Please remember Ian, Lucy and Ellie in your prayers. Lucy has sent the useful information below:

Traidcraft are open for deliveries. They have kitchen roll, pasta, rice, tins of fish, spreads, cereals, biscuits and of course chocolate! We know that some of you will be missing your regular Sunday chocolate treats! Due to increased demand, orders are taking about 7 days. Traidcraft are out of toilet rolls and hand sanitiser for now. You can place an order on-line or phone them to request a catalogue and then place an order by phone. Best wishes from the Christ Church Traidcraft Stall. 01914910855 or <https://www.traidcraftshop.co.uk/>

New Covent Garden Market businesses are offering home delivery as they're no longer delivering to restaurants etc. Some are temporarily suspending orders but others are back on-line for orders and delivering to our area. Here's a link to multiple businesses <https://www.newcoventgardenmarket.com/blog/home-deliveries-of-fresh-fruit-and-vegetables-from-new-covent-garden-market>

For those without internet: Fruit for the Office are supplying an essentials fruit/veg box for £45 0800 019 4037. They say just keep trying their number. <https://www.fruitfortheoffice.co.uk/home-delivery/>

West Green Foods are really helpful. They have a long product list - not yet adapted from their restaurant supplies. Really helpful by email - you ask for their product list and then email back your request. They'd do their best to help if someone just phoned and read out their own list. office@westgreenfoods.com or 020 7498 6949 or 07865599479.

This comes with my prayers and best wishes for you all, Michael Burns, Vicar. 26/3/2020
