A decorative border of stained glass surrounds the text. The border consists of repeating vertical panels of various designs: some with floral motifs, some with geometric patterns, and some with abstract shapes in colors like green, blue, and yellow. The central area is a solid yellow background.

**C**hristmas is a time when we celebrate that God is with us – in us! The message of God that started it all in Bethlehem over 2000 years ago is still the same for every single one of us – that God sent his Son into the world to show us how we should live our lives.

God wants his message of hope and peace and joy and love to be heard by everyone – and you will be very welcome indeed to join any of the local Christian Churches in West Wimbledon, who will be gathering together to worship the Christ-Child this Christmas.

*Lord Jesus Christ, your birth at Bethlehem draws us to kneel in wonder at heaven touching earth; accept our heartfelt praise as we worship you, our Saviour and our eternal God. Amen.*
